

ABOUT CAMP

CAMP UPAC is an annual summer camp which provides an inspirational, engaging, and exciting week of overnight camping for over 300 inner-city youth. These youth come from a variety of backgrounds and they come together to have the opportunity to experience activities including arts & crafts, dance, zip-lining, workshops, horseback riding, hiking, swimming, and so much more. **UPAC** works tirelessly to plan and conduct many of the workshops including a dermatology clinic to treat and help campers learn how to take care of their skin.

CAMP UPAC is a memorable week, filled with positive experiences that campers will remember for a lifetime. We hope you will join us by sponsoring scholarship opportunities for campers, donating supplies, or volunteering your time.

Let's change the world together!

"UPAC is a family and this family has provided opportunities to me that I never thought I could have. It gave me hope when I was hopeless and became my light at the end of the tunnel."

OUR HISTORY 37 YEARS OF SERVICE

United Peace Officers against Crime, UPAC, was founded in 1988 by Los Angeles County Sheriff's Department Sergeant Tony Campbell. His idea was based on the foundation that law enforcement could play a more proactive role in helping to prevent kids from resorting to crime and gang life. To accomplish this UPAC would provide positive role models and instructive interactions with law enforcement personnel. UPAC encourages youth to make healthy and proactive decisions, believing that fighting the causes of criminal behavior will help them cease the cycle of crime. United Peace Officers Against Crime is a community based organization made up of law enforcement officers, dedicated volunteers, community members, and parents galvanized together for the purpose of implementing evidence-based prevention techniques that build self-esteem and empowers At-Risk Youth and their families with alternatives to gang violence. UPAC's unique philosophy and partnerships give youth a different outlook on life and law enforcement.

WHY DO WE EXIST?

"A HUNDRED YEARS FROM NOW IT WILL NOT MATTER WHAT MY BANK ACCOUNT WAS, THE SORT OF HOUSE I LIVED IN, OR THE KIND OF CAR I DROVE, BUT THE WORLD MAY BE DIFFERENT BECAUSE I WAS IMPORTANT IN THE LIFE OF A CHILD!"
